It never existed. I'm desperate. I'm desperate. I'm really desperate. I, like many of you, am in a desperate situation. I know you are desperate too. I see that you are desperate. I know that you are desperate. I don't know how to help you. I don't know how to make you free. I don't know how to help you. I don't know how to make you free. But I can help you. I know. I will help you. I can help you. I'm desperate. I'm desperate.
