What's New In?

Gossip ToolBar is your new personal assistant and your favorite site ticker. Our sophisticated ticker shows information and stories about all your favorite celebrities. You can set Gossiper to open in a new tab whenever you press the toolbar button. Gossip ToolBar also gives you all the basic information about the weather, traffic, stocks and sports. It allows you to choose your own widgets and gadgets. **WHY GOSSIPER?** Gossip

ToolBar is a private service that brings everything that's interesting about your friends to your computer. If you are always looking up some info about your friends on the Internet, we think Gossip ToolBar should be your new best friend. FUN AT HOME Gossip ToolBar's weather widget works perfect at home too. It tells you what the weather was like on your vacation yesterday, what happened at your favorite places and where and when you went to your best friends' birthday parties. GOSSIP TOOLBAR Gossip ToolBar is one of the most accessible and easiest services to

set up in Windows. All the information about your friends will be automatically gathered and shown on the toolbar.

PLEASE NOTE: We don't make any money from Gossip Toolbar and we will share a good percentage of the income with our partners. GOSSIP TOOLBAR
