

The Elden Ring, a guild of legendary warriors, has made its home here in the Lands Between, a land that exists between the real world and the Astral World. The story of a solitary young man who loses his memories and wanders the world to revive his past—this is where the adventure begins. We are requesting that you defeat a load of powerful foes using tactics and class skills to advance to the next quest, while forming a guild with your companions and taking on various other challenges along the way! • The combat system is easily accessible for beginners, yet also offers a challenge to the veteran player. • The skill management system supports the player to challenge their fighting style. • The item management system supports the player to challenge their gaming style. • The newly-added Endless Skill feature allows the player to challenge their skills to the limit, and to develop your own skills with an endless number of repetitions. GAMING ENHANCEMENT TRANSFORMATION Melee Combat Guild Member System Party Management MORE!! The game's upgradeable character class system allows you to determine the desired class by acquiring the required skills and placing emphasis on the skills you want. With a powerful selection of classes to choose from, you can choose the class that best suits your play style. As you progress through the quests, you can enhance your character's class and strengthen your abilities. MELEE COMBAT Strike at the range of 7m to defeat your enemies Defend yourself at 7m to prevent damage Throw a javelin at an enemy to deal damage Strike an enemy to apply status effects Seek out the weak to deal damage 1v1 Battles Multiple Enemy Battles COMBAT MECHANICS Spatial displacement Status effects Healing and sustaining Mixed shooting COMBAT SKILLS Onslaught Shield Heavy weight Aiming Aim Assist Defense Spatial displacement Energy absorption Counterattack Armored Defense Status effects Healing Healing Spread Resist Control Dealing, deflecting, and neutralizing Items Attack Stun Block Melee Magical Death Armored Defense EX
