ABOUT ATELIER RIVE: Atelier Escha and Logy are two young characters that live in the city of Ghibli and share a friendship as they go about their everyday lives. Atelier Escha and Logy leads a simple life of going to school, having fun with friends, and finding new items to collect. However, when the enigmatic J.E.C.U.S. institutes new examinations into the mysteries of the ancient land of Alrest, the world is thrown into turmoil. The main characters of Atelier Rive, a new story of Alrest, are mysteriously summoned to the Northwoods of Alrest by the mysterious J.E.C.U.S. and are given the opportunity to experience what lies in store for them. It is only then that they begin to discover the secrets behind the enigmatic chain of events that have unfolded before their eyes. ABOUT MAJORASA: Majorasa is a remake of the beloved time-attack RPG from the PlayStation 3, developed by CyberConnect2, the video game production studio behind the development of many popular games on current-gen consoles. It was the first time that CyberConnect2 had created a game based on a light novel for the PlayStation 4, and we really wanted to make the best possible one. Majorasa is a time-attack RPG where you are guided by the voice of an adorable girl named Major to explore a vast open world, filled with mysteries, item systems, and awesome battles against menacing monsters. If you choose, you can become a strong hero by strengthening your character and acquiring new weapons and items. Familiaris, the voice of Major in Majorasa, is known for her incredible singing voice in the Mäji Love Chronicles and Boyfriend wa All Night Nippon. ABOUT THE MAJORASA GAMEPLAY: Players can choose to create a male or female protagonist. Players will enjoy the turn-based action of combat at first, but players who want to enjoy a more adventurous experience and enjoy hunting wild animals can select the Outlaw Career to move forward. The story will unfold and the monsters will appear as players play the game. Players can strengthen their character and a variety of items to pursue their unique goals. For example, items will grow in power as you defeat monsters and collect ingredients. There are various towns to explore, and there is also a possibility for communication with other

Elden Ring For Windows

INTERFACE Hello. This is Armored Core Ver.2, the second installment of Armored Core, the popular action RPG. * PC version The higher the resolution, the better the appearance of the image. If you want the screenshot to be clearer, try to lower your resolution for now. The game window is the system window. You can select a game option menu from the Game window. * If you are asked to connect to the internet, select 'Connect to the Internet'. Select a campaign. If you have not connected to the internet, select 'Start'. Select the main character to play as. If the challenge mode is selected, customize the difficulty level. The difficulty is displayed in the lower right of the window. You can select a character. In the combat scene, select which character to use. * If you are not familiar with Armored Core, you can select a tutorial from the Select character's tutorial menu. Adjust the main character's view. You can zoom in. Adjust the camera rotation angle. You can rotate the view angle clockwise and counter-clockwise. Adjust the screen position. Adjust the view for the front, left, right, and back view. You can expand the screen. You can adjust the distance. * While adjusting, the game may not update the camera angle. Press the Menu button to return to the main game. * If you want to select different options, you can select and drag the option menu from the menu bar on the top left of the window. CONNECTING TO THE INTERNET * In case you want to connect to the internet, your game may need to wait a bit before the game starts. If this problem occurs, reconnect to the internet and start the game again. You can select this menu from the system menu. CONTROLS Keyboard You can customize the key assignments. Pressing the Esc button toggles the keyboard mode and moving the cursor in the text box to the right changes the editing mode. * The mouse can be used for the editing mode. Touch Press the screen to interact. The interaction starts from the top of the screen. ADVANCED SETTING Advanced Settings You can select the following settings.

What's new in Elden Ring:

The new Fantasy Action RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.
