A new wave of terror struck as another Israeli civilian passed away in the terror attack on a Jerusalem Light Rail. This photo was taken at the scene of the attack in Jerusalem: The terror attack on March 26th 2018 claimed the lives of a 17 year old school girl, a handicapped man and this 45 year old mother, and left 15 wounded. The Israeli authorities are reporting that a building on what is claimed to be the terrorist's home address was searched as part of the terror hunt but it did not find any material suggesting a connection to the attack or to the terrorists. It was a drink-fuelled outing for several young cast members who appeared in the Harry Potter series of films, but now the four-legged creatures are celebrating their freedom and enjoying a quiet life. Not the four-legged creatures that appeared in Harry Potter and the Deathly Hallows. These are the real-life descendants of, or pupils of Hogwarts. It's not quite what you might expect for the children who were associated with the biggest movie franchise of all time, and whose fame spanned several years. But when 11-year-old Emma Watson and her fellow Potter stars decided to resume their acting careers with a set of special educational workshops - they were back in the spotlight, albeit for good reason. Discuss! Sat, 15 Jul 2017 17:14:48 GMT One-handed weapons are valuable, precious, legendary. However, they can also make swinging heavier and heavier of a task. In this era of fragile Humans, hand-held weapons would be cherished and carried around like precious possessions, always available for use. The sword, axe, mace, hammer and club are all great choices for one-handed. Here are the stats for the various one-handed weapons included in the Core Rulebook. Be sure to link back to this journal if you wish to discuss these examples.
