How long is he going to be here? No, I will be right here. I want to see him. If you're not in a good mood, I won't play this game. If you're in a bad mood, it's fine. What do I do now? What do you mean? I didn't prepare anything for the meeting. I don't think so. Are you really going to be okay? His mere presence is going to reset my mood. Are you sure? What a relief. How'd you know it was him? It was the name. A name? Do you want to go? If it's about the name, then you're my father. Tell me where we're going. Do you know where you're going? No, but there's a light ahead. It's a bad idea. There's no way to get back home now. Yes, there is. Where is he right now? I don't know. It seems like he's moving. There are some pretty big hurdles here. There's a river. I'm not in the mood to play this game. You're scared of the dark, aren't you? I don't want to say it, but I think I've gotten stuck. Escape or die, I guess. Is there a way out? This is... I'll wait here. That place looks familiar. You mean that town? I wish I had a flashlight. I can't see a thing. This is no good. How far away is it? I'm getting scared. It's near the town, but I can't get there. I'm sorry. I just need to have this game. You're my father. Can I play the game? Should I go back? I like the game.
