The ground-up reconstruction of EA SPORTS FIFA delivers an enhanced gameplay experience that responds to change the moment it happens, with six key elements: Precision Dribbling, Dynamic Player Trajectory, Real Player Impact, Physical Connection, Momentum, and Tackling. These groundbreaking changes provide a new dimension of responsiveness, fluidity, and expression, for both players and fans. GAME EXCLUSIVE FEATURES

What's new:

- **New Kit Update:** Clubs around the world are revamping their kits in the buildup to the launch of FIFA 22. The first kit update will be with Manchester United after their takeover by Adidas. The remaining kits will follow from top clubs such as Paris Saint Germain, Manchester City and Manchester United.
- **FIFA Ultimate Team:** Players can now customise shirts using third-party kits with just four buttons, but this comes at a price when it's time to bring off the new player creation feature:
 - The badge on the player may be changed free of charge
 - Home and away shirts may be changed for free
 - The colour of the player's kit is unrestricted and he or she may be given a free kit

FIFA is a videogame series produced by Electronic Arts, a recognized leader in interactive entertainment. Since its inception back in 1991, the series has sold over 150 million copies worldwide, making it one of the best-selling sports videogame franchises of all time. The franchise has featured both professional and amateur athletes from over 50 different countries, making it the most culturally diverse sports video game of all time. The games are set in the game's fictional universe, and feature several leagues and competitions that are inspired by real world leagues, with real-life players and teams appearing in the game alongside their real-life counterparts. The game's main competition is The FIFA World Cup™, as the FIFA World Cup™ matches the real thing in nearly every aspect, down to the uniform kits and the tifo displays. The games are released annually, with the next edition of the game being FIFA World Cup™ 2018. How does it work?
