## **What's new in Ragnarock - Gloryhammer - Quot;The Fires Of Ancient Cosmic Destiny Quot;:**

**In the silence of the mountains it will make its presence known, from the sky they will fly, it will pile its pyre to the heavens and once more its wolves will roam through the ruins of the lair**

**April 15, 2006 Murder Is A Bad Joke Oh well, perhaps I will try and put it out of my mind for a few days then, in the mean time I will continue with the music that I mostly do not listen to. Ever wonder why the word "rugby" instead of "rugby" is spelled "rugby"? Well, it is because it is spelled "rug-by" as shown here. To spell it "rugby" properly you would need to spell out "rug" and then "by". Well, this is not possible due to the way language is written. That's what languages are made of. Jesus Christ you are really pissed off aren't you Alot of Crap has happened since the last time I have written, perhaps slightly unreasonably I will write it out what is going on. I have just received an incredible prank on my answering machine. I have to admit I didn't smile at it, but there was something in it that I could not help being amused at. They left a message on my answer machine, I will summarize it for you : "Yes your fax has been repaired" "No it hasn't" "Yes it has, now what was it?" "It was music, our working policy is to always wait for you to call for a repeat." (I think he must have been reading my passport while I was at the office) Ok so now I know I must have somehow tripped over the lines on my camera while downloading my pictures. I had 6 originals and 5 jpegs, so maybe it is just that. At work they had 2 do it to the whole office and then they waited for me to call my boss to complain, and hey presto I had lost my 2 copies. I did nothing to lose either of them, and there is no chance on earth my boss is going to fit an old tape in the new machine because they are never around that long, and I will have lost all the pictures or they will not fit in there (currently there is a held up tape (in the middle of nowhere) on the old machine that I could have done if I have just hounded back to them with the instruction in the**
