\frac1{x\log x}\,dx=x\log x-\int x\log x\,dx=x\log x-x\log x+C=0$$ Q: Visual studio 2012 option to enable "easily jumping" in insert mode? Is there a way to enable an option in Visual Studio 2012 to enable "easily jumping" in Insert mode, much like many other editors including Sublime Text, Vim etc, like Ctrl-I, Ctrl-G etc. I use it often in Visual Studio and it's such a tedious task to manually navigate to the beginning/end of the lines because of the number of characters in the file, it would be easier to jump to the lines automatically. A: There's no option for that in Visual Studio 2012. If you set the ruler to use "Always" it will do what you are looking for. You can change the ruler to always place it at the bottom of
