Trouble☆Witches Origin! An

---

incredibly popular witch with big hair, Alice is the heroine of the title. She is a witch who is also powerful, and one of the strongest witches in the world. Her unique ability is "Scoring." She can blow out the breath of a person and have it, and the person would not die. It is also a technique of taking over someone's consciousness and using their own body. She also has her own sword with her. An outstanding hero from another world, Nagi-san from Witch of a different World. Fujitaka's encounter with the heroine had also been revealed at that time. He is a witch who wishes to seal the goddess's pure young girls, but is also also a genius. An excellent hero with a charming personality, those guys are in the same class as

---

him. Then comes the TrickyOne! Chiju-san, the highly skilled TrickyOne, an energetic, energetic punk. He came to Earth as a special animal, and has been with the heroine for a long time. He is the strongest person among the heroes, so Alice also takes interest in him. Moreover, Alice has the habit of attending Demonism, a university of a witch, by herself. She has the ability to try to detect the presence of trouble-causing people. She has inherited her father's spiritual power and her mother's abilities, and the elements of their power are stronger than those of any other hero. They are all excellent witches. The heroine, who created a power special to witches Who possess their own power.

---

Servant Characters There are many servant characters who can be possessed by the hero.

Alice can control them to solve other characters' problems. There are special abilities to utilize them Heroes' power (Heroes' power) A power with a different name from that of witches. If Alice possesses him, he can possess certain elements. The players acquire skills to attack and transform enemy heroes by possessing them. Resistance of enemies

Alice's spirits are various powerful spirits. By equipping their spiritual powers, the players can defend

themselves from various enemy heroes. Resistance of "cane" (Cane) Alice's spirits are various powerful spirits. By equipping their spiritual powers, the players can

---

defend themselves from  
various enemy heroes

**Sophie Crack + Free [Win/Mac]**

1. Go ahead! 2. If you're not caught, then keep playing in delirious blissful pleasure... 3. The game will crush you then you will become possessed by demons and have to kill them 4. If you pass them you will enter a new dungeon, if you fail, you will run out of energy and be possessed! 5. The demons can pass through walls, use teleports and all other monsters are co-operators 6. In your journey you will have to collect all the parts of the "Eyes of the Beast" but beware... on death there will be no respawn. 7. You need to keep your energy in balance between demon

---

expulsion and demon possession or your adventure will be over very fast 8. On

top of that, you will fight against dynamically changing environments and hordes of monsters of various types 9.

Your goal is to raise your power to the top by using the parts of the "Eyes of the Beast" which you will find and collect during your journey.

10. You will have to fight against different types of monsters including: fire demons, ice demons, acid demons, darkness demons, ghosts, skeletons, electricity demon, blood demon, stone golem, time demons, spiders, tentacles, flying demons, guards, giant spiders, rock demons, nature demons, fire demon, black magic demon, red magic demon and a lot of others 11. Your goal is to take

---

the parts of the "Eyes of the Beast" and create a chain that will raise your power 12. Your aim is to eliminate all demon hordes that stands in your way 13. Your job is to go ahead and destroy all known demon realms and until you do so you will be possessed by demons! 14. The quest is to take the parts of the "Eyes of the Beast" and raise your power to the top, killing the demons and fulfilling the requirements to earn bonus parts of the "Eyes of the Beast" 15. The levels will be random, as the game doesn't save your progress on death 16. Requires VR and happens in "Mixed Reality" 17. Free of Charge 18. Protip: Don't be afraid of demons possession. You will probably not be able to control your demon during the end 19. Can be played

---

with Keyboard (virtual controller) and Mouse 20. Requires a PlayStation VR to play this game 21. Requires a PlayStation Camera 22. For VR
