
Daz Animate 2 Serial Number UPD

December 7, 2014 - I had version 4.6 and animation 2 worked fine there. Now after I entered the serial number for Animate 2 they asked for after installing 4.7. Have you installed your Animate 2 serial number yet? when you check your . dwg file in Animate, it tells you that it is trying to open a .dwg file, but according to the Animate installation instructions (above), it means that Animate is version 4.7. I tried 2.6.4 and 2.6.1 and like you when I open my .dwg file in Animate it tells me that Animate is trying to open the .dwg file but according to Animate installation instructions (see above) this means that Animate is version 4.7. I can't figure out why this is happening and if you
